**CLOVIS, Calif., December 13, 2015** – The Sierra National Forest is requesting public input for the 2018 State Off-Highway Motor Vehicle (OHV) Grant funding and proposal submission cycle. As part of the application process, the Sierra National Forest is requesting public input or project ideas for what individuals, and organizations would like to have included in the 2018 submittal. This Public feedback will be considered in the development of the preliminary grant application being sent to the State of California Off-Highway Motor Vehicle Recreation (OHMVR) Division for review. The Sierra National Forest will submit an OHV grant application for this funding for 2018.

Each year the State of California makes funding available through the Off-Highway Vehicle (OHV) Grants Program.
