

Road 274 & Road 225 Intersection Roundabout Project

Come learn more about the project and ask your questions!

The Public Workshop will be held:

Thursday, March 30th from 6-7 p.m. at the North Fork Rancheria Community Center 56900 Kunugib Way in North Fork

Project-related comments or questions can be directed to:

Jared Carter
Deputy Public Works Director
jcarter@co.madera.ca.gov

OR

Brittany Dyer
District Chief of Staff, District 5
Brittany.Dyer@co.madera.ca.gov

The Madera County Public Works Department has begun the work for design of a roundabout at the intersection of Road 274 and Road 225 near the town of North Fork in eastern Madera County.

The project will convert the existing non-standard 4-leg, 3-way stop controlled intersection into a roundabout to improve circulation and safety for existing and future traffic traveling through this intersection. The project is currently at 30% design and the Department will be holding a public workshop to discuss the project in more detail and provide information and answer questions related to the project.

County Public Works staff, design Engineers, and Supervisor Wheeler will be available to discuss the project and answer questions.

Residents are invited to attend the public workshop on March 30th from 6-7 p.m. to learn more about the project, provide input, and ask questions.

SAVE THE DATE!!

Public Workshop
