The California Public Utilities Commission (CPUC) is holding a Public Participation Hearing in North Fork on Ponderosa Telephone's request for CPUC approval of its intrastate rates and charges for telecommunications services, for updates to its intrastate revenue requirement, and for establishment of a rate design. Ponderosa proposes to update its revenue requirement to \$13,993,453. In its last rate case, the CPUC approved a revenue requirement for Ponderosa of \$15,408,670. Ponderosa proposes to set its residential basic rate at \$23, exclusive of the Subscriber Line Charge and the other surcharges and fees. Ponderosa proposes to bring the basic business rate to \$34.15, and make adjustments to its other business and foreign exchange rates, by the same percentage of increase as its residential rate increase.
